Engaging children and youth is one of the five areas of impacts in NMI.

NMI continues to encourage churches to involve children and youth in all missions endeavors and to nurture them as they seek to respond to God's call. NMI encourages every church, every district to be intentional and encourage and engage every child, every youth in the mission of God in your community and around the world. NMI continues to encourage churches to involve children and youth in all missions endeavors and to nurture them as they seek to respond to God's call. We encourage collaboration with Nazarene Youth International and Sunday School Discipleship Ministries to best engage all ages of the church. We believe nurturing and leadership development is best done in the local church and individualized to the needs of each person.

## Northeast Oklahoma District Of the Church of the Nazarene

### Northeast Oklahoma District

We have 48 churches on our district.  
We have 6 Mission areas of ministry.  
The mission areas exist to advance  
the Kingdom of God by strengthening  
the ministers and their families  
and by facilitating effective missional  
local church ministries.

### Prayer

Our NMI Council is committed to Praying for each pastor and church on our district. We are also committed to praying for our missionaries. And our District Superintendent and district leadership.

Prayer is one of our 5 areas of Impact.

Remember your missionaries throughout the year in prayer. Many are often facing troubled times in the places in which they serve. They seek to be peacemakers and agents of transformation. They need your support through intercession.

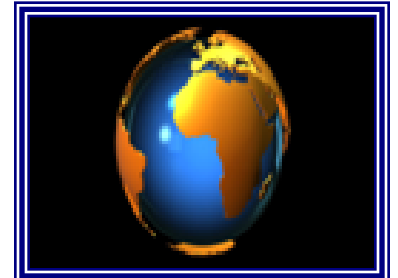

The Prayer Mobilization Line (PML) is a weekly publication focusing on the prayer needs and praise reports for the global ministries of the Church of the Nazarene and our missionaries. It is available in English and Spanish. Anyone can subscribe to receive PML, free of charge, via e-mail on the NMI Web site. Printable versions of the current and archived issues of PML are also available here.

## Work and Witness

---

Because of covid the W & W trip to the Dominican Republic had to be re-scheduled.

Cynthia our W&W coordinator said they are thinking about June 11-12 and 18-19 2021 .

We will be having a W & W on our district scheduled for November. There is some much needed work to be done on the parsonage in Skiatook. Pastor

Jesse Madaffari and JoAnn will be moving into their home that they have been working on. I visited with the District Superintendent last week and plans are coming together on this project. If you are interested in helping with this please let the district office know. There are some things like painting and smaller projects, but there are also bathrooms to be re-

done and flooring, and the roof needs replaced. Not sure who will be the project manager for this but we are trying to get more information out about this. Please let me know also if you are interested. Cynthia will be back in a couple of weeks and we will get more information out on this.

Traditionally September we collect our

Alabaster Offering

It's not too late you can still send it in.

### **Deputation:**

A big thank you to David and Naomi Phillips for all the work they did on the Kids Mission Day videos. If you still have not shared these with your children please do so. Let us know what you did. Send pictures of your group.

Thank you to the churches on our district who hosted the missionaries while they were here on our district. Miami, Vinita, Pryor RHOP, Claremore, Collinsville, and Tulsa Hills. Please consider showing the videos to your group, there is also a longer version for adults.

Please keep the Phillips in your prayers, much of their deputation schedule was cancelled because of covid, they are retiring after this year.

Deputation looks a little different these days. Please consider having a zoom meeting with a missionary. Some of our missionaries were scheduled to go back to their fields of service because of covid the borders were closed and they were unable to return. Some were scheduled to come home on home assignment and they have not been able to return home. Please keep them in your prayers. If you would like to schedule a zoom meeting, face time or any other virtual visit with our missionaries please feel free to contact our deputation coordinator Kay Hilton.
