ONE-DAY CAMP

With the health situation today, we are offering a one-day option for your kids if you are not comfortable with an overnight stay at camp. Saturday, July 24 (the Saturday of camp), will be open for kids to come and spend the day as campers. Any adult who brings the kids on that day will need to follow the same NazSafe certification as regular volunteers. To register for one-day, simply fill out the regular online registration and select ONE-DAY CAMP. The cost for the one-day option is \$50, \$60, or \$70, following the same registration deadlines as regular registration.

MEDICATION

All medication must be turned in to the camp nurse upon arrival at camp. The nurse will be available at registration.

All medication must be in their original container with dosages clearly printed on the bottle. (Check with your pharmacy, they may be able to prepare a bottle especially for camp.) The medication should be in a zip lock bag and labeled with the child's name and church name.

Over the counter meds are available through the nurse, so there is no need to send these to camp.

Kids or adult volunteers should pick up meds following breakfast on Monday morning.

DEVICE FREE ZONE

Please do not send any electronic devices (including cell phones) to camp. If a camper arrives at camp with a device, they will be asked to check it in with the camp director at the beginning of the weekend. The device will be returned to the camper before they leave camp on Monday.

This is an opportunity for us to give campers a device-free weekend where they can focus on hearing from Jesus Christ and building relationships.

You can contact the camp director anytime during camp at neokidscamp@gmail.com. Please do not call counselors. Remember: no news is good news!

SECURITY

Your child's safety is of the utmost importance to us. All volunteers are screened and follow Nazarene Safe guidelines. Anyone visiting the campground during camp must check in at the office immediately upon arrival.

If your child needs to leave the campground during camp, a parent/guardian must submit a signed authorization with details explaining who will pick the child up, time of departure and return (if applicable). Only the person listed on this authorization will be able to take the child from the campground before the end of camp.

EMERGENCY

In the event of an emergency the camp nurse will assess the situation and make a decision, along with the camp director and child's sponsor, about further medical needs. Parents/Guardians will be notified if the nurse feels the child needs to be taken to the emergency room for any reason.

If you have an emergency at home and need to contact your child, please contact your Church Camp Coordinator or the adult volunteer that is at camp with your child.

MAIL CALL

We encourage you to send a note to your camper!

Mail will be "delivered" on Saturday or Sunday. Please give notes to your adult volunteer who will ensure they are delivered properly.

Label mail with camper's first and last name, church, and the day you want it delivered.

HEALTH SAFETY

We are implementing additional safety precautions in light of the present health situation.

- **Smaller groups:** The campers will be divided into 2 groups so there will be smaller groups of kids in each activity.
- **Sleeping:** Campers will sleep "head-to-toe" in their cabins. That means one camper will sleep with their head at one end of the bed and the next camper will sleep with their head at the opposite end of the bed.
- **One-Day Camp:** We are offering a one-day option for parents that are not comfortable with their kids staying over night. Check with your CCC (Church Camp Coordinator) for more info.

2021 THEME

Trey and Candice Brooks are our camp speakers again this year. They love EVERY part of camp ... food, fun, friends, and especially the time to connect with Jesus. They are very excited to be at camp with us!

Our theme is EXPLORE. At camp this year, we will help kids EXPLORE who Jesus is.

Have you never heard? Have you never understood? The Lord is the everlasting God, the Creator of all the earth. He never grows weak or weary. No one can measure the depths of his understanding. Isaiah 40:28
